Online Dealer Resources

www.bathauthority.com

Use Bath Authority dealer web portal resources to check order status, track a shipment, request an RMA and for many other daily product information tasks. The dealer web portal can be found at dealerweb.bathauthority.com. Contact your account manager today to register and receive system login details.

Features include:

- ❖ Available 24 hrs/7 days a week
- ❖ Inventory Check – check inventory levels for all of our products
- ❖ Check order dates
- ❖ Shipping Tracking Status – shipping date, tracking number with automatic links to shipping companies
- ❖ Helpdesk status tracking system – shows all open and closed helpdesk tickets
- ❖ Request RMA – provides an instant confirmation number; you will get an actual confirmation by email within 1 business day
- ❖ Product details – the most up-to-date product information, like photos, technical drawings, installation manuals, excel files can be viewed on screen or downloaded from the web.

Ordering

ACCOUNT APPLICATION/CREDIT

In order for any new account to be set up with DreamLine, a DreamLine **Dealer Application** must be fully completed and submitted to DreamLine. Once completed the application may be faxed to 866-227-9245. Purchases may be made on pre-paid basis or a Dealer **Credit Application** may be completed to be approved for credit terms. All invoice terms for items purchases on credit are Net 30 days from the date of invoice. Interest charges of 1.5% are assessed on all past dues accounts (18% APR). Interest shall be assessed on unpaid balance until outstanding balance is paid in full. Any payments made on dealer's credit account will first be applied to any unpaid interest charges and then may be used for other outstanding invoices or additional purchases. A fee of \$30.00 shall be charged on all returned checks, and a dealer agrees to pay all costs of invoice collections and any reasonable attorney fees.

ORDERS

Orders must be submitted in writing via fax or email. Faxed orders should be sent to 866-227-9245 and e-mail orders should be sent to orders@bathauthority.com

ORDER ACKNOWLEDGEMENTS

DreamLine will acknowledge all orders via fax or email. Please take time to carefully review each acknowledgement, it will confirm the order, quantities, prices, and provide estimated shipping dates.

Shipping/Delivery

SHIPPING CHARGES

If ordered items are available in stock, we will ship them within 1-3 business days after the order was confirmed. The order should be received within 3-10 days after leaving our warehouse considering there are no transportation delays – please note that once a shipment leaves our warehouse, we cannot guarantee the exact transit time and delivery date and the shipping company may be contacted for additional transit time and delivery information. All large truck shipments (LTL) will be **curbside delivery** only, unless otherwise requested in your order and confirmed by us. For all curbside deliveries please make sure that clients have help available to unload the shipment when it is delivered. For clients living in limited access / limited delivery areas – additional communication and planning may be required by the client and in some cases, the freight may have to be picked up at the shipping company local terminal or other location mutually agreed upon by client and the shipping company. In such special cases – DreamLine shall not be responsible for any additional coordination or any other additional credit to the dealer or charges from the shipping company. **NOTE: Orders will be placed on hold and not shipped if the dealer's credit account shows any past due unpaid invoices or unpaid interest charges.**

VISIBLE LOSS OR DAMAGE

Any external evidence of loss or damage that occurred during transit is considered "visible loss or damage" and must be noted on the bill of lading and signed by the carrier's agent (driver). Failure to adequately describe the visible loss or damage could result in the carrier delaying or refusing to honor the freight claim. If your client is not given enough time by the freight driver to fully inspect all items or there is any doubt that the items are not damaged - the client should note "**SUBJECT TO INSPECTION**" on the delivery receipt

CONCEALED LOSS OR DAMAGE

Any damage that occurred during transit that was not visible at the time of delivery is considered “concealed loss or damage”. Due to rough handling in transit it is possible to damage the contents of a box without damaging the outside of the box. If such situation occurs it is important to contact DreamLine **immediately** for instructions on how to handle the claim. If a claim is to be filed, it is important to save the box or any other packaging that the damaged merchandise arrived in for inspection by the freight carrier. Your client must open all received boxes and inspect products for concealed damage **within 3 business days** after delivery. **Please note that DreamLine will not be able to accept any “concealed loss or damage” reports after 3 business days post delivery and will not be able to assist with any freight claims after this period has passed.**

LOST SHIPMENT ITEMS

Prior to signing for the shipment, the client must also note any missing boxes or other packages. The delivery receipt and/or bill of lading provided to the client upon delivery will indicate the number of pallets and/or boxes in the original shipment. Any discrepancy with the actual count must be clearly noted on the delivery receipt. If not such note is made, and part of the shipment is missing – DreamLine will not be able to assist client in either recovery or compensation for any missing freight.

ADDITIONAL FREIGHT CHARGES

Please note that any additional freight carrier's fees such as re-delivery, special notification, inside delivery or any other freight carrier's additional services are the responsibility of the dealer and/or dealer's client (unless otherwise noted on your order and confirmed by DreamLine). If such services are requested by dealer or customer from the freight carrier and billed to DreamLine, all such fees shall then be re-billed to dealer. If the freight carrier is unable to deliver freight due to problems with contacting dealer and/or client or setting up delivery appointments, storage fees may be assessed by the carrier - in such case all storage fees are the responsibility of the dealer and shall be billed to the dealer. Please note that our flat shipping rates apply only to orders shipped in the continental United States and additional charges may apply to special delivery areas (Special Delivery Areas may include some metropolitan delivery addresses, island areas with limited access or any other remote and limited access locations). Special shipping quotes are required for Alaska, Hawaii and all international orders.

Product Characteristics

PRODUCT SIZES

Please note that product sizes provided in the price list are approximate and are for general reference only. For the exact size, please refer to the technical drawings for each product.

PRODUCT CHANGES

We reserve the right to discontinue, alter, modify, or redesign products at any time. All dimensions are approximate and subject to change without notice.

STONE VANITIES AND VESSEL SINKS

Stone is a natural material and items made from the same stone type may vary in color and appearance from product to product and may also vary in their appearance from catalog and/or web photos. **Please note that we do not allow returns or cancellations for any Stone Vanities and Stone Vessel Sinks.**

COLOR VARIATIONS

DreamLine shall not be responsible for minor variations in color or texture of the materials delivered in relations to sample and/or photos of the product purchased. Such minor variations will not be considered to be defects and any products returned because of these variations will be charged the standard restock fee.

BATHAUTHORITY.COM WEBPAGE

For the latest and up-to-date information on our products including marketing information, technical drawings, manuals and any other details please refer to the BathAuthority.com webpage.

Prices

PRICES

Our pricing schedule shows Manufacturer Suggested Retail Prices (MSRP) which are subject to the approved trade discount. Prices are subject to change at any time. Orders are accepted subject to the prices in effect at the time the order is placed. Price list is for USA purchases only. For Canada or International pricing please contact our National Dealer Development group.

MINIMUM ADVERTISED PRICE

Dealers are provided a Minimum Advertised Price (MAP) for all Bath Authority / DreamLine products. Dealers are required to maintain such minimum price for any print or internet advertising, but may sell products at any price. Orders shipped by DreamLine will be priced according to prevailing prices at the time of shipment. MAP policies and list prices are subject to change at any time. **As of January 1, 2008 MAP requirement is that no product be advertised below 25% off MSRP price.**

Returns

RETURNS

Dealer understands that there is a minimum 25% restocking charge in addition to all freight charges for all returned goods. An approved **Returned Merchandise Authorization** (RMA) number is required from DreamLine in order to credit any returns (RMA request forms are available from DreamLine or may be completed on-line at Bath Authority dealer web portal at dealerweb.bathauthority.com. Custom manufactured items may not be cancelled or returned to DreamLine. Product returns are not allowed after 30 days from delivery to client. If an item is refused when delivered by a shipping company for any reason other than damaged merchandise or a shipping error by us, the item shall be treated as a return and 25% restock charge will be applied. Also, an additional charge of 10% and any additional freight carrier charges shall be charged. An RMA number must be issued within 30 days from date of product delivery. To receive any credit or refund the following conditions must be met:

- All returned merchandise must be in original, new and resalable condition – not previously installed or used as a display
- All items must be in their original packaging and unless otherwise requested by our customer service group, **there cannot be any writing on the packaging of the item**
- Packages must be sent back via DreamLine approved carrier and be fully insured
