Preparation

1. Carefully remove Shower base from the packaging and check for any visual defects or shipping damages. If the unit has been damaged, has a finishing defect, or has missing parts, please contact our customer support department within 3 business days of the delivery date. Please note that **DreamLine™ will not replace any damaged products or missing parts free of charge after 3 business days or if the product has been installed.** Feel free to contact DreamLine™ if you have any questions.
2. Install all of the required plumbing and drainage before securing the shower base. **Use a competent and licensed (if required by local code) plumber for all plumbing installation**
3. **Please note that you should consult your local building codes with questions on installation compliance standards. Building and plumbing codes may vary by location, and DreamLine is not responsible for code compliance standards for your project.**
4. Please insure that prior to the installation the installation surface is leveled and solid. Also make sure the walls are at right angles. While some adjustment in leveling of the tray is possible, irregular floor level or improper angle of side walls will result in serious problems for your installation. Please, note that there are some adjustments and drilling might be necessary during the installation process.

IMPORTANT NOTE: *Dimensions provided for reference only. You must measure the actual shower tray sizes before installation. Allowed tolerance for center of the drain is $\pm 1/2$ ".*

Shower Base Installation Preparation

1. Ensure that the floor and the studs are at right angle.
Provide a 5"×5" opening in the sub-floor for the drain.
The 2" PVC waste pipe should extend above the surface of the sub-floor according to the drain installation instructions and the height of the Shower base.
Refer to the product drawings in these installation instructions for the drain location.

See Fig. 1 and Fig. 2 for details.

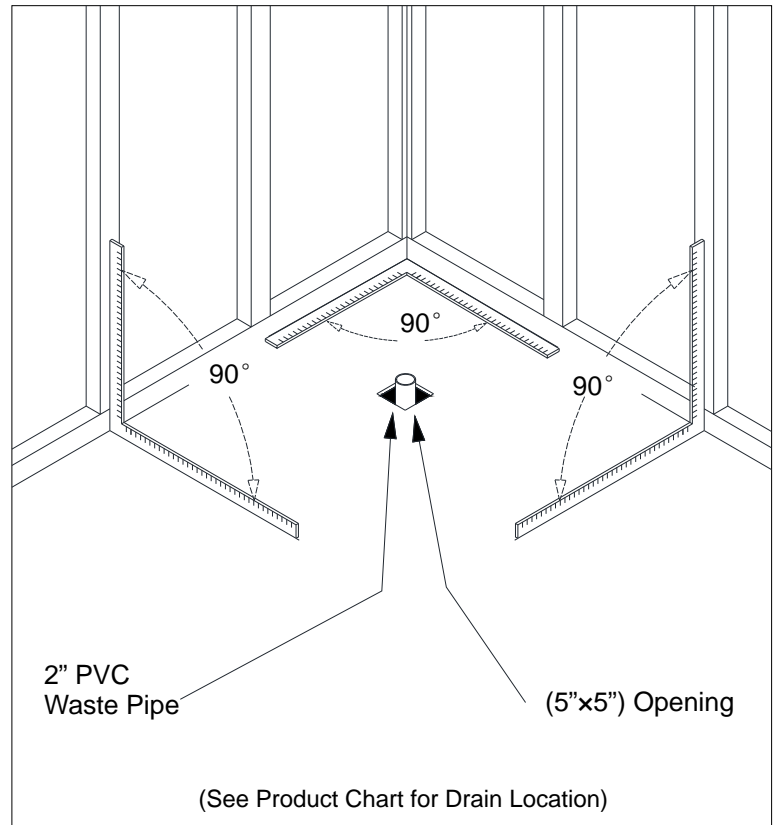

Fig. 1

Fig. 2

2. Install the shower drain (**NOT PROVIDED**) according to the drain installation manual (supplied with the drain).

See Fig. 3 for details.

Fig. 3

3. Place the tray into the designated position so that the Drain Body drops around the Drain Pipe and butt the Shower Base up against the studs.

See Fig. 4 for details.

Fig. 4

- Level the tray and place marks on the studs above the upper edge of the tile flange.

See Fig. 5 for details.

Fig. 5

- Mix the bedding material (Mortar, Plaster, etc).
Note: Concrete is not recommended.
Apply enough bedding material to support the entire bottom of the shower base.

See Fig. 6 for details.

Fig. 6

- After the bedding material has been poured and before it sets, place the shower base into the position with the drain assembly sliding over the PVC waste pipe. It will be necessary to push the shower base until the top of the tile flange aligns with the marks drawn on the studs and the front edge is contacting the rough floor along the entire length of the shower base. Ensure that the base is level in all directions. You may need to use shims to hold the tray in the level until the bedding settles and supports the tray. Remove all extra mortar.

See Fig. 7 for details.

Fig. 7

- Allow the bedding material to completely harden before applying weight to the bottom of the shower base. Install the cement board (or the wallboard) above the tile flanges and secure it to the studs. Put the tiles (or other finishing material) over the cement board leaving 1/8" gap between the bottom of the tile and the splash rim of the shower base. Use caulk to fill that gap.

See Fig. 8 and Fig. 9 for details.

Product maintenance

To insure long lasting life for your acrylic back walls, wipe them off after each use with a soft cloth. To clean the acrylic back walls use non-abrasive sprays or cream based cleaners. Never use abrasive cleansers, metal brushes or scrapers that could scratch or dull the surface.

To insure long lasting life for your glass shower products, wipe them off after each use with a soft cloth. Rinse and wipe of the glass using either soft cloth or squeegee to prevent soap buildup. Never use abrasive cleaners and cleaning products that contain scoring agent because this may scratch the surface. Never use bristle brushes or abrasive sponges.

To assure a long lasting finish wipe off the metal parts after each use with a soft cloth. Do not use abrasive cleaners or cleaning products containing ammonia, bleach or acid. If accidentally used, rinse the surface as soon as possible to prevent finish peeling or corrosion. After cleaning the shiny finishes, rinse thoroughly and wipe dry with soft cloth. Clean stainless steel surfaces at least once a week. When applying stainless steel cleaner or polish, work with (not across) the grain. Never use abrasive sponge or cloth, steel wool or wired brushes.

This is Bath Authority LLC's ("DreamLine") exclusive written warranty effective April 1, 2011

This warranty extends only to the original owner/end-user for household use only and is not transferable to a subsequent owner. This warranty applies only to DreamLine™ products purchased from an authorized dealer and installed in United States or Canada. Proof of purchase (original sales receipt) must be provided with all warranty claims. **In no event shall the liability of DreamLine™ exceed the purchase price of the unit.**

If DreamLine™ shower doors, shower enclosures and shower bases are used commercially, DreamLine™ warrants such products to be free from defects in material and workmanship for one (1) year from initial date of purchase from an authorized dealer, with all other terms of this warranty applying except duration. If DreamLine™ vanities, vessel sinks and shower columns are used commercially, DreamLine™ warrants such products to be free from defects in material and workmanship for three (3) months from initial date of purchase from an authorized dealer, with all other terms of this warranty applying except duration. **DreamLine™ Jetted and Steam Shower Cabins are not intended for commercial use and there is no warranty extended for these products for commercial use.** DreamLine™ is not responsible for loss of use or profit under any circumstances.

DreamLine™ hereby disclaims all warranties for products sold as a dealer or store displays. DreamLine™ hereby disclaims all warranties for products used outside of the United States or Canada whether expressed or implied, including but not limited to the implied warranties of merchantability and fitness for a particular purpose.

DreamLine™ will, at its election, repair, replace with product of equal value or make appropriate adjustment where DreamLine's analysis or inspection of warranty claim discloses any such defects occurring in normal usage within the warranty period. DreamLine warranty obligation shall be discharged upon tender of replacement or repair. Purchaser's refusal to accept the tender terminates warranty obligation.

Cost of freight for returning products to DreamLine™ for repairs or replacement under this limited warranty are the responsibility of the customer. Cost of freight associated with shipping of replacement product or parts to the customer may be charged to customer. Any product replaced or repaired during the warranty period will be covered only for the remaining period of the original warranty. In no event will DreamLine be liable for costs of repair or replacement of any installation material, including but not limited to tiles, marble, etc. **DreamLine™ is not responsible for installation, removal or reinstallation costs of any product requiring warranty services.**

Improper modification or alterations of any DreamLine™ products will void the warranty. Any DreamLine products repairs must be performed by either a DreamLine authorized agent or a licensed experienced professional contractor. This warranty shall not apply to breakage or damages caused by normal wear and tear, fault, carelessness, abuse, misuse, misapplication, improper maintenance, alteration or modification of the unit, as well as chemical or natural corrosion, accident, fire, flood, act of God or any other casualty. Improper care and cleaning will void the warranty. Never use cleaners containing abrasive cleansers, ammonia, bleach, acids, waxes, alcohol, solvents or other products not recommended for chrome or similar finish, glass or acrylic. This will void the warranty. For additional product maintenance instructions please refer to product installation manuals. The warranty does not extend to any non-DreamLine™ plumbing or components installed by installers, end users or by any party other than DreamLine™.

THE FOREGOING WARRANTIES ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. BATH AUTHORITY LLC ("DREAMLINE") AND/OR SELLER DISCLAIM ALL LIABILITY FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES. DREAMLINE™ IS NOT LIABLE FOR PERSONAL INJURIES OR DEATH TO ANY PERSON OR FOR ANY DIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGE, LOSS OF USE, LOSS OF TIME, LOSS OF PROFITS, INCONVENIENCE, INCIDENTAL EXPENSES, LABOR OR MATERIAL CHARGES, OR ANY OTHER COSTS RESULTING FROM THE USE OF ITS PRODUCTS OR PERTAINING TO THE APPLICATION OF THE PRESENT WARRANTY, OR RESULTING FROM THE REMOVAL OR REPLACEMENT OF ANY PRODUCT OR ELEMENT OR PART COVERED BY THIS WARRANTY.

DreamLine™ is not responsible for product code compliance or for verifying code restrictions on installation or use and any such compliance is excluded from this warranty. DreamLine™ reserves the right to modify this warranty at any time - such warranty modification will not alter warranty applicable at the time of sale of the products in question. The warranty terms for specific products are:

SHOWER DOORS, SHOWER ENCLOSURES AND SHOWER BASES

DreamLine™ warrants shower doors, shower enclosures and shower bases to be free from defects in workmanship and materials under normal residential use for a period of five (5) years from the initial date of purchase by the owner/end-user, contractor or builder from an authorized dealer.

SHOWER CABINS (JETTED & STEAM)

DreamLine™ warrants glass, acrylic and finish to be free from defects in workmanship for a period of five (5) years from initial date of purchase by the owner/end-user, contractor or builder from an authorized dealer; and plumbing, electrical and steam generator components for a period of one (1) year from the initial date of purchase by the owner/end-user, contractor or builder from an authorized dealer.

SHOWER COLUMNS

DreamLine™ warrants shower columns to be free from defects in workmanship and materials under normal residential use for a period of one (1) year from the initial date of purchase by the owner/end-user, contractor or builder from an authorized dealer.

VANITIES AND VESSEL SINKS

DreamLine™ warrants bathroom vanities and vessel sinks to be free from defects in workmanship and materials under normal residential use for a period of one (1) year from the initial date of purchase by the owner/end-user, contractor or builder from an authorized dealer.

Some states/provinces do not allow limitations on how long an implied warranty lasts, or the exclusion or limitation of special, incidental or consequential damages, so these limitations and exclusions may not apply to you. This warranty gives you specific legal rights. You may also have other rights, which vary from state/province to state/province.
