

Exclusive factory applied DreamLine™ ClearGlass™ coating provides superior protection by preventing mineral deposits, soap film and dirt from forming on the glass.

ENIGMA-X™ SHOWER & TUB DOOR

The ENIGMA-X sliding tub and shower doors are the epitome of style, innovation and quality. The sleek fully frameless design and high functioning performance deliver the look and feel of custom glass at an exceptional value. The impressive 3/8" thick tempered glass is treated with DreamLine exclusive ClearGlass™ protective coating for superior protection and easy maintenance. The substantial stainless steel hardware is the perfect marriage of urban style and effortless operation. Take your bathroom design to the limit with the high quality and sublime styling of the ENIGMA-X sliding tub and shower doors.

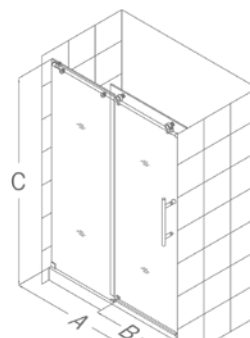

TUB DOOR
