

MIRAGE™ SHOWER & TUB DOOR

DREAMLINE™
dream in style

The **MIRAGE** tub or shower door delivers a unique design, the look of custom glass at an unbelievable value. Most sliding shower doors require substantial aluminum framing, but the **MIRAGE** uses innovative hardware to provide the space-saving benefits of a sliding door without compromising the beauty of a completely frameless glass design.

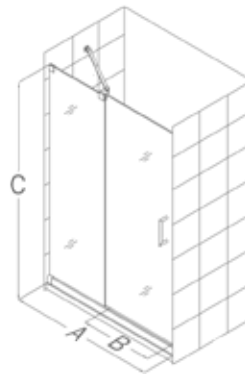

3-PANEL CONFIGURATION

| A | B WALK IN | C |
