

Complete your tub-to-shower conversion or shower renovation project with backwall and tub replacement kits. DreamLine™ tub replacement kits are available in three options – from a complete tub-to-shower combination to just simple backwalls which may be installed with other third party bases and doors. A number of sizes and design configurations are available to fit most projects. The complete shower kit comes with DreamLine™ Amazon Shower Base, backwalls and choice of a DreamLine™ Visions, Infinity, or Infinity Plus sliding shower door. DreamLine™ backwalls are designed to be installed over an existing solid surface (not directly to studs) and may be trimmed-to-size during installation.
