

- Completely frameless glass design
- Effortless sliding door operation with large wheel assemblies on stainless steel track
- Deluxe 1/2" (12mm) thick clear tempered glass with DreamLine™ exclusive *ClearGlass* anti-limescale coating
- Anti-splash threshold to prevent water spillage. Threshold requires minimum threshold depth of 3-3/4"
- Reversible for right or left opening
- Stainless steel hardware available in polished or brushed finish
- Top bar may be shortened by cutting up to 4" to fit door opening
- Product is intended for tile or solid surface floor. Never install on acrylic or fiberglass base. Professional installation is required.

ENIGMA™ 72-1/2" WIDE SHOWER ENCLOSURE SHOWN WITH OPTIONAL TEAK SEAT

The exclusive factory applied DreamLine *ClearGlass*™ coating provides superior protection as it prevents mineral deposits, spotting, soap film and dirt from forming on the shower glass.

The ENIGMA collection of shower enclosures from DreamLine pairs the sophisticated look of frameless glass with a smooth and flawless operation for an exceptional value. The ENIGMA line will impress with heavy 1/2" thick tempered glass that has been factory treated with *ClearGlass* anti-lime scale coating for protection and easy maintenance. The substantial stainless steel hardware includes innovative large wheel assemblies that glide effortlessly across the perfectly engineered track.
