MIRAGE DOOR SHOWN IN RIGHT CONFIGURATION

FRAMELESS SHOWER DOOR

Looking for a frameless shower door with heavy glass? VITREO is the answer. VITREO's 3/8" tempered glass combined with wall mounted brackets for stationary glass panels and center door mounted on a sleek pivot mechanism offers a simple yet elegant option for your shower project. This VITREO door's flexible design allows for either right or left door opening. Combine the beautiful VITREO shower door with an optional DreamLine™ shower base and a DreamLine™ shower column to complete the unique design of the Bathroom of Your Dreams™.

VITREO

- Pivot door with full length magnetic door latch
- 3/8" (10mm) thick tempered clear glass
- Frameless glass design
- Wall mounted stationary glass bracket
- Reversible for "right" or "left" door opening
- This door is designed to install against finished walls. Precise rough opening width is required.
- Chrome finish hardware
