

DreamLine™ offers a variety of options in its tub door lineup – choose from the unique hardware and look of the ENIGMA-X, beautiful DUET bypass tub doors, INFINITY and INFINITY PLUS sliding doors with stationary glass or the unique designs of the TORERO single leaf glass tub door. Add the beautiful and functional DreamLine™ acrylic Tub Backwalls to complete any bathtub project.

SLIDING DOOR MECHANISM

## ENIGMA-X

- 3/8" (10mm) thick tempered glass
- DreamLine™ ClearGlass™ protective anti-limescale coating
- Advanced fully frameless design offers effortless single sliding door operation with large wheel assemblies on a stainless steel track
- Includes anti-splash threshold
- Installation on threshold requires minimum threshold depth of 2-3/4"
- Reversible for "Left" or "Right" door opening installation
- Stainless steel hardware available in polished or brushed finish
- Professional installation is required
- Dimensions: 59" W x 62" H
