

VITREO™ SHOWER DOOR

The **VITREO** shower door showcases a completely frameless design for the luxurious look of custom glass at an incredible value. The elegant pivot mechanism provides a flawless operation, while premium 3/8" thick tempered glass delivers a rich look. Give your bathroom renovation a style infusion with the effortlessly fluid look of a frameless shower door.

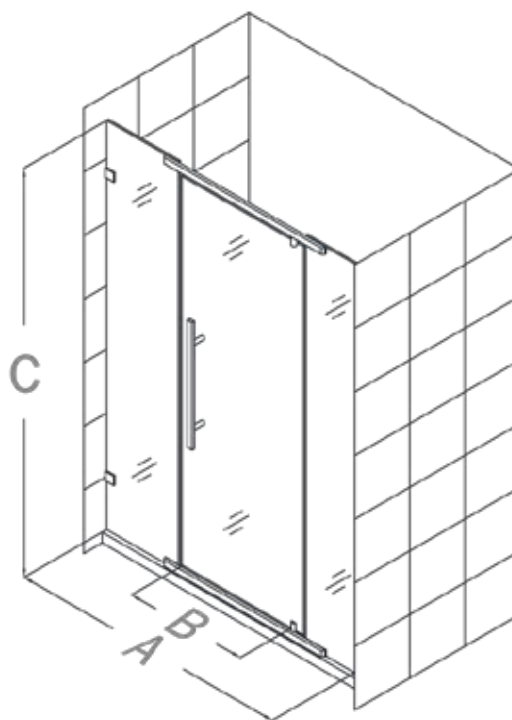

WALL MOUNT BRACKET

PIVOT DOOR MECHANISM

- Frameless pivot shower door with full length magnetic door latch
- 3/8" (10mm) tempered clear glass
- Chrome or brushed nickel hardware finish
- Reversible for right or left door opening
- Wall mount solid brass brackets support stationary panel for a frameless design
- Precise width measurement of finished opening required. Vitreo shower door has no adjustability for out-of-plumb walls
- Vitreo comes in two popular sizes, both are compatible with SlimLine shower bases for most installations
