# Shower Columns

Experience a shower like never before with a DreamLine™ Shower Column. Indulge yourself with pampering features like an overhead rain shower, hand-held showerhead, adjustable body massage sprays, and individual water controls. A built-in thermostatic mixer maintains a steady and comfortable water temperature. For an easy installation, the columns attach with fast-mounting wall brackets and require only simple hot and cold water connections. Think beyond the basic shower head and transform your shower space into a home spa.

# Shower Seats

Create a convenient and safe place to sit in your shower space with a [Folding Shower Seat](#) from [DreamLine™](#). With an innovative and compact design, you can easily fold the seat down while showering or dressing and then fold it up and away for extra space when not in use. The seat is offered in a choice of teak wood or plastic. The natural teak wood has a rich color that will add warmth to the feel of your space, while the plastic version provides a practical and durable option.

## Teak Shower Seat

### Features:

- Natural teak wood with polyurethane top coat for superior water resistance
- Designed to mount onto existing surface
- Requires special reinforced mounting
- Weight capacity of 250 lbs. when installed properly
- Stainless steel hardware
- Seat folds-up
- Professional installation required

Model Number	Product Size, in. D x W x H
SHST-01-TK	12 x 15 x 1

## Plastic Shower Seat

### Features:

- Durable plastic material
- Designed to mount onto existing surface
- Requires special reinforced mounting
- Weight capacity of 250 lbs. when installed properly
- Stainless steel hardware
- Seat folds-up
- Professional installation required

Model Number	Product Size, in. D x W x H
SHST-01-PL	12 x 15 x 1

\* Professional installation is required. Plumbing codes vary by state; DreamLine is not responsible for code compliance
