

WROUGHT IRON STAND

DLVET-03 wrought iron stand show with optional hand-made wrought iron rectangular mirror (DLMET-01) and optional DreamLine™ honey onyx stone vessel sink (DLVNF-001-HNOX).

Wrought iron is a material of history. With unique strength and look, this iron alloy has been used for centuries to make everything from swords and blades to cutlery and handrails. We have selected this material for the beautiful DreamLine™ Wrought Iron Vessel Sink Stands collection to give it the unmistakable look and charm. When hammered, etched and bend by our artisans, wrought iron resembles aged wood. All of our iron stands and mirror frames are completely hand-made and each one is a unique work of art. Combine the intricate details of a wrought iron vessel sink stand with an optional wrought iron rectangular or oval mirror and a hand-made DreamLine™ stone vessel sink and your iron stand set will surely serve as the centerpiece of the Bathroom of Your Dreams™.
