

DreamLine™

Bathroom of Your Dreams™

NEO - ANGLE SHOWER ENCLOSURES

Looking for a traditional neo-angle shaped enclosure? Choose one of many options in the Neo Collection from DreamLine™ for the centerpiece of your bathroom design. Neo Collection shower enclosures offer a choice of finish, size, frameless or semi-frames design, pivot or hinged door - In choice of 5/16" or 3/8" glass. Looking for a truly frameless neo-angle enclosure - consider the look of NeoLux with its wall mounted stationary glass brackets. Need to have some adjustability for installation of your enclosure - select the standard Neo model with full length adjustable aluminum wall profiles. Prefer the elegant pivot door mechanism and a more framed structure - Horizon shower enclosure is the answer.

NEO LUX

- Self-closing hinged door
- 3/8" tempered clear glass
- Frameless glass design
- Wall mounted brackets for stationary glass
- Reversible for "Right" or "Left" door opening
- Optional DreamLine™ fiberglass reinforced acrylic tray
- This shower enclosure is designed to install against finished walls and has no adjustment options for out-of-plumb walls.
- Available in clear glass and chrome finish
- Glass dimensions:
35 3/8" x 35 3/8" x 72 7/8"
38 1/4" x 38 1/4" x 72 7/8"
