# UNIDOOR SHOWER DOOR

DreamLine UNIDOOR is the only door you will ever need to complete an unforgettable design of your shower project. UNIDOOR's universal options allow it to fit opening from 24" up to 61", and the door may also be reversed for either left-wall or right-wall installation. The 3/8" heavy glass and the frameless design supported by solid brass self-closing hinges delivers the look of an expensive custom glass door at the fraction of the high custom price. All doors over 30" wide include a stationary glass side panel with a full length adjustable aluminum wall profile allowing for an on-site adjustment for either out-of-plumb or general door rough opening of up to 1".

- Tempered thick 3/8" (10mm) clear glass
- Self-closing solid brass wall mounted hinges
- Glass door is reversible for "left-wall" or "right-wall" installations
- All doors wider than 30" include a stationary glass panel with a full length aluminum wall profile and are adjustable by 1"
- Available in clear glass and chrome or brushed nickel finish
- Dimensions: UNIDOOR models fit rough opening from 24"-61", with a fixed door height of 72"
